

MAGNETIC CANDIDATES

Ready, Set, Find it, Get it!
Uncovering Hidden Opportunities
and Attracting Offers

READY

- Manage your mindset
- Surround yourself with healthy moral support
- Clarify your career vision and goals. What will success look and feel like for you?
- Research possible companies that fit your vision and goals

SET

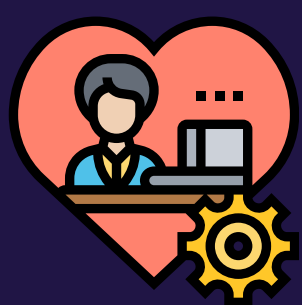

- Make a plan and work your plan every week
- Research job postings that look like your dream job
- Draft an elevator pitch that sounds like you!
- Craft your accomplishments to reflect impact
- Elevate your resume, bio, LinkedIn profile incorporating accomplishments, elevator pitch, industry keywords, and your unique value proposition

FIND IT

- Research target companies
- Focused networking and informational interviews
- Don't chase every job post
- Don't email your resume to your connections asking them if they know of any positions for you
- Do send them an excerpt from your elevator pitch or intro paragraph from resume or bio

GET IT!

- Prepare for your interviews and know what sets you up for success. A good night's sleep? Practice?
- Follow-up and send thank-yous
- Know the Role's worth and negotiate accordingly
- Prepare to land with a 100-day plan
